

The background is a textured, light brown or tan color. A series of maroon lines form a jagged, mountain-like silhouette across the upper half of the page. There are four peaks of varying heights. Three of these peaks are filled with solid maroon diamonds: the leftmost peak, the second peak from the left, and the fourth peak on the right. The central peak is an empty outline. Below this jagged line is a horizontal maroon rectangle. Inside this rectangle, the text "THE FLASH 1967" is written in a bold, sans-serif font. Below the rectangle, the maroon lines continue downwards, forming three downward-pointing triangles. The central downward triangle is filled with a solid maroon diamond, while the two side triangles are empty outlines.

FLASH 1967

Memoriam

Our hearts were saddened when we began our Senior year without one of our classmates, Dennis George Sly, who was killed June 25, 1966. Denny was a very active member of our class and well liked by everyone.

Dedication

Our Senior Class would like to take this opportunity to dedicate the 1967 "Flash" to Mr. George Crawford, our former principal.

Mr. Crawford has been principal of our school for the last 12 years. We have appreciated his hard work and fine job in supervising the former D.M.C.S.

Congratulations, Mr. Crawford, on your promotion and good luck from the first Senior Class of Pioneer Central, Delevan-Machias building.

To the Class of "67":

That which for several years has seemingly been an impossible challenge for you as students, is about to become a pleasant memory which you will enjoy throughout your lifetime.

You are departing from that phase of your life in which your parents, teachers, and the adult world as a whole have been responsible for influencing and guiding your development, both physically and mentally.

Through graduation from high school, you will for the first time step into a new and different world, a world which is unlimited in its capacity to advance scientifically and intellectually. The future of this world will be determined entirely by your attitudes, your efforts, your decisions.

Your formal education has given you a firm foundation upon which to build the future. Add to this foundation the pledge of your dedication to assure your generation, and those generations to follow, a pleasant, prosperous, and peaceful world in which to live.

My sincerest congratulations and best wishes for a bright future to each of you.

Mr. O'Connell

The D-M Eagles' football team of 1966 displayed the greatest performance of football at D-M, since 1963 when eleven man football was instituted. The Eagles had a 3 and 3 league season and a 4 and 3 overall season, the first victorious season ever at D-M in eleven man football. We were never beaten by more than one touchdown. None of this could have been possible without the fine coaching of Ralph Christman, his assistant, Mr. Volk and especially the desire of the D-M team for victory.

J. Davis, Co-Captain, Coach Christman, J. Cornwall, Captain, Mr. Volk, Assistant Coach.
